Life Orientation

Grades 10 to 12

In the Formal Assessment for Life Orientation learners are expected to complete five internal tasks per grade.

Of the five internal assessment tasks to be completed per grade, two should be exams, one an extended Physical Education task and the other two should be tasks that suit the subject Life Orientation, such as case studies, oral presentations and practical application or source-based tasks.

2 x exams (2 x 75 = 150)	+	2 x tasks (2 x 75 = 150)	Physical education tasks (100)	5 TASKS PER GRADE (400)
