

FOCUS

Mathematical Literacy

Grades 10 and 11

Programme of Assessment

Continuous Assessment (25%)				Examinations (75%)	
Term 1	Term 2	Term 3	Term 4	Examination	Grade 10
Investigation (10%)	Assignment (10%)	Investigation (10%)	Project (10%)		
Test (15%)	Examination (30%)	Test (15%)			

Continuous Assessment (25%)				Examinations (75%)	
Term 1	Term 2	Term 3	Term 4	Examination	Grade 11
Assignment (10%)	Investigation (10%)	Project (10%)	Investigation (10%)		
Test (15%)	Examination (30%)	Test (15%)			

Examination papers for Grades 10 and 11

The following is recommended with respect to the time allocation and number of papers in the final examination for Grades 10 and 11:

One (3 hour) paper of 150 marks in Grade 10

Two (2 ½ hour) papers of 100 marks each in Grade 11 (see comments on Grade 12 examination papers to see how the papers differ)

Grade 12

Programme of Assessment

Continuous Assessment (25%)				Examinations (75%)	
Term 1	Term 2	Term 3	Term 4	Examination	
Investigation/Project (10%)	Assignment (10%)	Test (10%)	Assignment (10%)		
Test (10%)	Examination (25%)	Examination (25%)			

Examinations (Learning Outcomes and Question Types)

	Level 1 (30%) Knowing	Level 2 (30%) Applying routine procedures in familiar contexts	Level 3 (20%) Apply multistep procedures in a variety of contexts	Level 4 (20%) Reasoning and reflecting
LO1 (25%) Number and operations in context	<p style="text-align: center;">Paper 1 (150 marks)</p> <p>Paper 1 is intended to be a basic knowing and routine applications paper</p>		<p style="text-align: center;">Paper 2 (150 marks)</p> <p>Paper 2 is intended to be an applications and reasoning and reflecting paper</p>	
LO2 (25%) Functional Relationships				
LO3 (25%) Space, shape and measurement				
LO4 (25%) Data handling
